Always-innovative EMI-Yoshi takes squares to the next level with Square Waves. A whimsical new line of dinnerware and platters that will give every holiday meal that extra "pop."

Dress up every course with Square Waves!
Work the room with a platter full of tempting hors d'oeuvres in a Square Waves one or 4-compartment platter; serve a bowl of pre-dinner soup and salad in a "Square Waves" 10 oz bowl and a 7" salad plate; a full dinner entree in a Square Waves 10" dinner plate; and if there's room, a sinful dessert in a "6" dessert plate.

Choose a color to suit any event: black, white or clear.
